Black Friday 2026 | Cricket For All

Canonical: https://www.cricketforall.com.au/collections/on-sale/black-friday-2026

Details:

Our Black Friday sale is on now. Save up to 60% on selected cricket gear online and in our Gilles Plains, Adelaide store. Our sale ends Monday 30 November 2026 at 11:59 pm Adelaide time, or earlier for offers that sell out.

Shop our live Black Friday range . The sale is open to everyone now; you do not need an early-access password or subscriber discount code.

Find your next piece of kit

Explore selected bats, batting gloves and pads, helmets, cricket bags, footwear, wicketkeeping gear, protective equipment, clothing, accessories and training gear. Use the filters on our Black Friday collection to compare the current range by brand, type, size and availability.

Our discounts apply to selected products and variants, not every item from a brand or across our store. Selected Gray-Nicolls offers are included; this is not a blanket Gray-Nicolls discount. Magnium is not part of our Black Friday discounted range. Different sizes, colours and handedness can have different prices and availability. “Up to 60% off” is the maximum on selected offers, not the discount on every item.

Current prices and availability

We show the current selling price on the exact product variant and at checkout. Select the size and handedness you need before comparing prices. Our range and stock change as orders are placed, so check the live product page rather than relying on an older price list, preview or search snippet. A sold-out variant is not available just because another size of the same product is in stock.

Free standard shipping on eligible Australian orders A$100+

Until 30 November 2026, we offer free standard shipping on eligible Australian orders of A$100 and over. All bags, cricket kits, bowling machines, The V nets, marked freight exclusions and orders weighing 10 kg or more are excluded. Express delivery remains paid. Checkout confirms qualifying spend, delivery options and the final charge. Outside the Black Friday offer, our normal eligible free-standard-shipping threshold is A$200.

We dispatch in-stock online orders the same or next business day. Australia Post transit time is additional and depends on your destination and service; dispatch is not a promise of next-business-day arrival. Bat preparation may add one business day, and pre-orders follow their stated dates.

Sale prices without extra cart-reward discounts

Our usual spend-and-save cart rewards are switched off during Black Friday. There is no extra 2.5%, 5% or 10% cart reward on top of our Black Friday prices. Eligible free standard shipping can still apply. Check the final order total at checkout.

Shop online or visit us in Adelaide

Our Black Friday prices apply online and in store at Gilles Plains. Visit Cricket For All at Unit 1–2, 621–623 North East Road, Gilles Plains SA 5086, or call (08) 7095 5777 for help with fit, size and availability before making a special trip.

For eligible cricket bats, you can select our free knock-in checkbox on the product page. This bat-preparation option does not apply to gloves, pads, bags or other equipment.

Read our returns policy and warranty information . Our current Black Friday delivery terms above apply during the sale; the A$200 threshold and cart-rewards wording still visible in the general shipping policy do not describe the active Black Friday offer.

Sale information checked on 13 November 2026. All amounts are Australian dollars. After 30 November, check our live store for current offers rather than treating this time-limited promotion as ongoing.
