Term 3 Schedule

See below our Term 3 schedule for the Winter Academy Programs.

| Date | Session Types | | --- | --- | | July | Train Like The Professionals Workshop (with the Adelaide Strikers) | | 26/7/2026 | Join Adelaide Strikers players as they take you behind the scenes of professional cricket and learn what it takes to perform at the highest level. This session will explore training habits, preparation routines, mindset and the standards required to succeed in elite cricket. | | August | Advanced Fielding and Game Awareness Workshop | | 2/8/2026 | This session will focus on advanced fielding techniques, anticipation, positioning, communication and reading the game. Players will develop the awareness and decision-making skills needed to impact matches both in the field or on the wicket. | | August | Spin Bowling Workshop | | 9/8/2026 | A specialist session designed to help players understand the art of spin bowling. Players will learn how to generate spin, use variations effectively, set batters up tactically and understand the role of spin in different formats of the game. Batters will also develop strategies for successfully facing spin bowling. | | August | Advanced Decision Making Workshop | | 16/8/2026 | This session will focus on cricket IQ, tactical awareness, risk versus reward, reading match situations and understanding how to make better decisions with both bat and ball in key moments of the game. | | August | Advanced Foundation Skill Workshop | | 23/8/2026 | This session will revisit and refine the core batting, bowling and fielding skills that underpin successful cricket. Players will focus on technical excellence, efficient movement patterns and developing consistency under pressure. | | August | Performing Under Pressure Workshop | | 30/8/2026 | Players will develop practical strategies for managing pressure, maintaining confidence, controlling emotions and executing skills effectively in high-pressure situations through a combination of theory and competitive scenarios. | | September | Fast Bowling Workshop | | 6/9/2026 | A specialised session for aspiring fast bowlers focusing on pace, accuracy, movement and tactical execution. Players will learn about fast bowling technique, workload management, creating pressure through bowling plans and the physical demands required to perform consistently. Batters will develop strategies for successfully facing fast bowling. | | September | Advanced T20 Workshop | | 13/9/2026 | A session focusing on the advanced specific demands of T20 cricket. Players will develop power hitting, variation in bowling, and tactical awareness suited to the shortest format of the game. | | September | Centre Wicket Session | | 20/9/2026 | A match focussed session where players will be able to apply everything learned throughout the program outside in a real match context. Emphasis on competitiveness, decision making under pressure; a perfect way to translate training into game performance.Venue: Thomas Turner ReserveContingency Plan: Session to be relocated to CFA in the event of poor weather. |
